

# CURRICULUM VITAE

EUROPEAN FORMAT

## PERSONAL INFORMATION

Name, Surname	Mariarosa Raimondo
Address	CNR ISTECA
House number, street name, postcode, city, country	Via Granarolo, 64 48018 Faenza, Italy
Telephone	+39 0546 699721
Fax	+39 0546 46381
E-mail	<a href="mailto:mariarosa.raimondo@istec.cnr.it">mariarosa.raimondo@istec.cnr.it</a>
Website	<a href="http://www.istec.cnr.it">www.istec.cnr.it</a>
Nationality	Italian
Place and Date of birth	Montorio nei Frentani (CB), 28/06/1965

## WORK EXPERIENCE

CNR position	<b>SENIOR RESEARCHER (LEVEL II)</b>
2019 – to date	Senior Researcher at ISTECA CNR (Institute of Science and Technology for Ceramics, National Research Council, Faenza-Italy). Group and project leader in <i>Smart Surfaces</i>
From 2001 – to 2019	Researcher at ISTECA CNR (Institute of Science and Technology for Ceramics, National Research Council, Faenza-Italy). Group and project leader in <i>Smart Surfaces</i> Project Leader into the <i>Development of innovative industrial materials and systems</i>
From 1997 to 2001	Temporary research activity at ISTECA CNR on the development of materials, methods and procedures specifically dedicated to the traditional ceramic sector. Recycling of waste products. Development and characterization of inks, glasses, glass-ceramic systems.
From 1995 to 1997	Temporary research activity at IC CNR (Institute of Chromatography, National Research Council Area della Ricerca di Roma-Italy) on pyrolysis gas-chromatography (Py-GC) as tool to control industrial processes catalyzed by pillared clays and zeolites. Design of innovative stationary phase for GC.
May-July 1997	Temporary researcher at the Institute of Physical Chemistry Polish Science Academy (Warsaw) on the development of new chromatographic matrix.
February – April 1996	Temporary researcher at Chemistry Institute University of Exeter (UK) on the development of inorganic LDH (Layered Double Hydroxides) containing bi- and tri-valent metals as chromatographic matrix.
Name and address of employer	Consiglio Nazionale delle Ricerche, Istituto di Scienza e Tecnologia dei Materiali Ceramicci CNR ISTECA di Faenza (Italy)
Type of business or sector	Materials Science and Technology

Occupation or position held	Senior Researcher, Group leader
Main activities and responsibilities	Research and development.
	Group leader in the field of innovative industrial materials, design of coatings with a controlled wetting behavior for industrial materials. Materials engineering by deposition of fully inorganic or hybrid coatings.

## EDUCATION AND TRAINING

Year	1993
Name and type of organisation providing education and training	University of Roma "La Sapienza"
Principal subjects occupational skills covered	Industrial chemistry
Title of qualification awarded	M. Sc. graduation in Industrial Chemistry
Level in National classification	M. Sc degree

## RESEARCH ACTIVITIES

Research sectors	Engineering of innovative materials, materials and processes for multifunctional surfaces, thin films and coatings
Recent Scientific Activities.	<p>Scientific activities currently deals with the functionalization of surfaces in order to control their wetting behavior, providing ceramics, metals and alloys of super-hydrophobic, amphiphobic, de-icing, anti-fouling, low-friction performances. Development of multifuncional materials for outdoor or indoor exposure, anti-reflective coatings, new aesthetic effects.</p> <p>Exploitation of waste materials and byproducts to be included in the ceramic production process. Energy efficient materials and systems.</p>
Books and Articles	<p>F. Veronesi, G. Boveri, M. Raimondo, Amphiphobic nanostructured coatings for industrial applications, Materials 12 (2019) 787, DOI: 10.3390/ma12050787</p> <p>A. Cecere, D. De Cristofaro, R. Savino, G. Boveri, M. Raimondo, F. Veronesi, F. Oukara, R. #### **ADDITIONAL INFORMATION**

International collaboration with York University (Canada), Birmingham (UK), Bologna (Italy), Bergamo (Italy), Modena and Reggio Emilia (Italy), UFRJ-Rio de Janeiro (Brasil), Cantabria-Santander (Spagna), UFSCar-Sao Carlos (Brasil).

Scientific responsible of several contract with industries and co-ordinator of research programs. Editorial Board Member of *The Open Construction and Building Technology Journal*. Reviewer of international, scientific journals.

**TRATTAMENTO DEI DATI  
PERSONALI, INFORMATIVA E  
CONSENSO**

Il D.Lgs. 30/6/2003, n. 196 “*Codice in materia di protezione dei dati personali*” regola il trattamento dei dati personali, con particolare riferimento alla riservatezza, all’identità personale e al diritto di protezione dei dati personali; l’interessato deve essere previamente informato del trattamento.

La norma in considerazione intende come “trattamento” qualunque operazione o complesso di operazioni concernenti la raccolta, la registrazione, l’organizzazione, la conservazione, la consultazione, l’elaborazione, la modifica, la selezione, l’estrazione, il raffronto, l’utilizzo, l’interconnessione, il blocco, la comunicazione, la diffusione, la cancellazione e la distruzione di dati, anche se non registrati in una banca dati.

In relazione a quanto riportato, autorizzo il CNR al trattamento dei dati contenuti nel presente *curriculum vitae* e nella documentazione della quale fa parte integrante
